Attached is the photo evidence promised during my oral report earlier today about incident of menacing and attempted Assault and Manslaughter as joindered act to a prolonged, aggravated conspiracy to commit... by an organized crime, occultists network, which occurred at at approximately six o'clock just previous. It is photo of culprit subject of my report. (Today was considered "Easter;" I know, per insight, this was

"Easter;" I know, per insight, this was germane to culprit's motive as akin to gang-harassment with underlying issues on this basis. See, AGAIN, www.bboip.wordpress.com for evidence of full context. He was of Ampol-Nomad faction specifically with Irish-Catholic sentiments within that faction associated with Mafia of Looptank Insurrection Group. This faction entails virtually every other indigent other than myself post the Occupy Movement... This was another act of joindered violence. I want action that direction prosecutorialy.

P.S. Furthermore, I intended also to communicate following: 1. Please use email address I gave. This is a second one. Circumstantially, due to malicious intrusion interfering with functions as illegal Harassment, I was practicably limited to use of this second Gmail account. I gave you jaakovos@gmail.com during information. Please see profiles as further proof. 2. Currently, I have no possessions reasonably considered to be weapons. I am, hereby, asserting: I am going to need to procure and carry weapons with just cause to self-
